RBdigital
Audiobooks

provides access to thousands of downloadable audiobook titles published by Recorded Books. For most titles, there will be no waiting: if you see it, you can get it.

The exception to this are "Coming Soon" titles, and "Single Use" titles:

Coming Soon — audiobooks that aren't yet released to the platform, but are scheduled to soon be available per an agreed upon release date with the publisher.

Single Use — additional titles APL purchases that only allow one user at a time; in those cases, you will need to place a Hold to be added to the list.

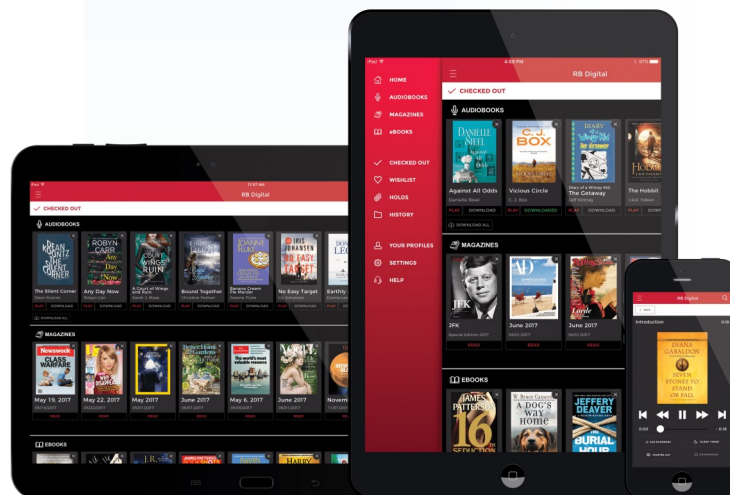

Signing Up

infosoup.oneclickdigital.com

1. Click **Register** & fill out the requested information.
2. The app also asks for
 - your country
 - your library:
Outagamie Waupaca Library System - OWLSNET

Using It

1. Login to the site OR open the app.
2. Find what you want and click **Checkout**.
3. Go to your **Checked Out** shelf to stream or download your titles (you can also select to download titles automatically in your Settings).

Due Dates

Items can be checked out up to **21 days**.

When your checkout period is up, the items will automatically return.
